

**MEETING WITH GERRY DELORME, EXECUTIVE DIRECTOR HEALTH EMERGENCY MANAGEMENT,  
MANITOBA HEALTH – September 6, 2012**

On Thursday Sept 6, 2012, MAHCP President Wendy Despina had a very positive and engaging meeting with Gerry Delorme, Executive Director Health Emergency Management, Manitoba Health. The purpose of this meeting was to continue the discussion and planning for the monthly meetings to which both organizations have committed.

The initial meeting will involve the generation of ideas and issues identified within the Manitoba Emergency Medical Services system. Future meetings will focus on exploring in greater depth the details of the issues, concentrating on solution-based discussions.

MAHCP EMS members will be selected to participate directly in these meetings providing direct input based on their experience and expertise.

The first meeting is to occur mid to late October, 2012.
