

May 16, 2012

Welcome to MAHCP's newest LRO

The Manitoba Association of Health Care Professionals is proud to announce that *Birgit Molinski* has accepted the position of Labour Relations Officer effective May 22, 2012.

Prior to her accepting this position, Birgit was a very active member of MAHCP. She was the first member to participate in the MAHCP Senior Staff Representative program. Her extensive training and job site "hands on" experience will be vital to the Association and its membership.

We are confident that Birgit will be an excellent asset to the labour relations team.

Please join the Executive Council and staff in welcoming Birgit to MAHCP.
