

April 30, 2012

Introducing MAHCP's new LRO

The Manitoba Association of Health Care Professionals is proud to announce that *Marcy Ervick* has accepted the position of Labour Relations Officer effective April 30, 2012.

Marcy is an experienced healthcare professional with specialized credentials in disability management; return to work coordination and workers compensation with strengths in project development, team building and identifying new initiatives.

She has been an active leader on committees and advisory groups and is experienced in claims management, appeal procedures, negotiating, document preparation, legal process, and contract interpretation, arbitrations, disability management, and workplace health and safety.

We are certain that Marcy will be an excellent asset to the labour relations team.

Please join the Executive Council and staff in welcoming Marcy to MAHCP.
