

# MAHCP is looking for a few good Conquer-Oars to join our Dragon boat team!

## Canadian Cancer Society River City Dragon Boat race June 3 and 4, 2016 Manitoba Water Ski Park (Lake Shirley)

We need **YOU** to help us achieve the goal of putting not one team in this event, but **TWO!** We'd love your support as a team member as we raise critical funds to assist Manitobans in their fight against ALL cancers and show Manitobans who we are.

To be a team member, there's a mandatory one-hour practice session that takes place at the Manitoba Canoe and Kayak Centre on May 23 and/or 27.

Non-MAHCP members are welcome and no experience is necessary to participate.

Please e-mail Team Captain Victoria Fabris at [communications@mahcp.ca](mailto:communications@mahcp.ca) to join.

*If you're looking for a fun day with your fellow MAHCP members on the water and in the sun, come aboard with the Conquer-Oars!*
