Dear MAHCP member,

On behalf of the Executive Council, staff and members of the Manitoba Association of Health Care Professionals, I'm very pleased to welcome you to your new Allied Health union. As of December 13, you will be an MAHCP member. We are very proud to represent you.

In this package, you will find valuable information about your new union, and what you can do to get engaged, stay informed and get help when you need it. Bargaining is coming, so I'm sure you'll pay special attention to that information. And please don't hesitate to contact us if your questions aren't answered here.

Our primary means of communicating with members is personal email, but we don't have yours unless you've emailed us already. Therefore, your first step should be to email [info@mahcp.ca](mailto:info@mahcp.ca) and let us know who you are.

Please also fill out the enclosed union card and send to us in the postage-paid return envelope as soon as possible.

MAHCP is One Strong Voice for Allied Health in Manitoba, and we are even stronger with you. We are committed to continuing our record of delivering the best possible service to our members.

We look forward to serving you and working with you to face the challenges ahead.

In solidarity,

Bob Moroz

MAHCP President
