The Manitoba Clinic Employee Health Spending Account will provide you with a tax-free way to pay for your medical and dental expenses (see the attached list of eligible expenses).

On January 1 of each year your personal Health Spending Account will be credited with \$300 benefit dollars. You will not be taxed on this \$300. These benefit dollars can be used to pay for any eligible expense for yourself, your spouse, or your dependents.

All employees who have completed one year of continuous full-time employment will be enrolled in this HSA plan.

Expenses (maximum of \$300 in the calendar year) can be claimed *twice per year* (July and January) for expenses incurred during the previous 6 months. Your claim can be submitted to Manitoba Blue Cross along with your receipts and a completed Health Spending Account Claim Form.

*Twice per year* Manitoba Blue Cross will send you a statement of your Health Spending Account activity. This report provides an updated status of your unused credits, claims in process and claims paid.

Employees and their dependents can be reimbursed for health-related expenses not covered by provincial healthcare (including medical, vision,
