Dear MAHCP Member,

The Executive Council of the Manitoba Association of Health Care Professionals (MAHCP) would like to welcome you as a new member of our union.

For more than 50 years, MAHCP has been dedicated to protecting and advancing the rights and working conditions of Allied Health Care Professionals. Today, we are proud to represent more than 6,900 members in over 190 Allied Health professions serving Manitobans every day across our province. MAHCP is very pleased to welcome you to our strong and growing union.

This package contains information about MAHCP as well as extras like discounts available to our members and our quarterly newsletter.

For many of our member communications, we contact you through email. To ensure you are receiving important information about your union representation, and that you are able to access all our union has to offer, we need you to fill out an **Application for Membership.** You can do this online at **www.mahcp.ca** (or see sidebar for code), or with the enclosed card and send it back to us (we included a postage-paid envelope) as soon as possible.

This is your union. We are here to listen and address your concerns, and we will need your support and participation to ensure our continued success. Together, we are *One Strong Voice for Allied Health* in Manitoba.

If you have any questions or require more information, please visit our website at www.mahcp.ca; call 204-772-0425 or toll-free 1-800-315-3331; or email info@mahcp.ca. I look forward to hearing from you.

In solidarity,

Jason Linklater, President
Manitoba Association of Health Care Professionals
