Such days shall be prorated for a PT employee. Such additional vacation shall be taken in the vacation year during which the anniversary will occur.

The Employer reserves the right to verify that a claim for income protection is not made with respect to an injury for which lost earnings are compensated by Manitoba Public Insurance.

1902 A full-time employee shall accumulate income protection credits at the rate of one and one-quarter days per month.

Of each day and a quarter of income protection credits earned, one day* shall be reserved exclusively for the employee's personal use as specified in this Collective Agreement. The remaining one quarter of a day* shall be reserved for either the employee's use or for use in the event of family illness as specified in 1905. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

- *In the employee's first year of employment, amend "one day" to read "three quarters of a day" and amend "one quarter of a day" to read "one half of a day".

- Eighty (80) percent of the balance will be reserved for the employee's personal use.
- Twenty (20) percent of the balance will be reserved for either the employee's personal use or for use in the event of family leave in accordance with 1905.

Such certificate shall not be required without cause after an absence of less than three (3) days.
- 1908 Upon sufficient notification to the Employer, and providing such time off does not unduly disrupt the departmental operations, employees shall be allowed time off with pay to attend appointments with a doctor, dentist, chiropractor, physiotherapist, or other recognized medical therapist recommended by a physician. The time utilized for such appointments shall be deducted from accumulated income protection to the nearest one-quarter hour. When non local resources are utilized, a maximum of one (1) day may be claimed from income protection.
- 1909 Where an employee qualifies for sick leave involving hospitalization or bereavement leave for immediate family only (spouse/common law spouse, child or parent; does not include step-children, spouse/common law spouse's parents or grandparents), during his period of vacation there shall be no deduction from vacation credits for such absence. The period of vacation so displaced shall either be added to the vacation period or reinstated for use at a later date, provided proof of hospitalization is given.

Worker's Compensation payment will be paid directly to the employee by the WCB. The employee may elect to submit an application to the Employer requesting that the Employer supplement the award made by the Workers' Compensation Board for the loss of wages to the employee by an amount equal to ten percent (10%) of the WCB payment. The Employer's supplement shall be charged to the employee's accumulated income protection credits and such supplement shall be paid until the employee's accumulated income protection credits are exhausted, or until one hundred and nineteen (119) calendar days have elapsed since the first day of supplement, whichever is less.

If, at any time, it is decided by the Workers' Compensation Board that any payment to be made to the employee by the Employer must be offset against benefits otherwise payable by the Workers' Compensation Board, then such payment shall not be payable.

- b) i) Where an employee is unable to work because of injuries sustained in a motor vehicle accident she must advise her supervisor as soon as possible and she must submit a claim for benefits to Manitoba Public Insurance. - iv) The advance(s) will cover the period of time from the date of injury in the motor vehicle accident until the date the final MPI decision is rendered. In no case shall the total amount of the advance exceed the lesser of:
 - A) the total net income protection which would otherwise be claimed by the employee in the one hundred and nineteen (119) calendar day elimination period; or,
 - B) seventy percent (70%) of the value of the employee's accumulated income protection credits.

- v) The employee shall reimburse the Employer by assigning sufficient MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by MPI directly to the employee.
 - vi) In the event that MPI disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - vii) Upon request, the Employer will provide a statement to the employee indicating the amount of advance payment(s) made and repayment(s) received by the Employer.
- c) i) Subject to “b)”, an employee who has accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the MPI payments.
- ii) The amount of such supplement will equal ten percent (10%) of the employee’s regular net salary not earned due to the time loss. Regular net salary will be based on the employee’s basic salary as defined in Article 202 of the Collective Agreement (exclusive of overtime), less the employee’s usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions.

- iii) The Employer's supplement shall be charged to the employee's accumulated income protection credits and such supplement shall be paid until the employee's accumulated income protection credits are exhausted, or until one hundred and nineteen (119) calendar days have elapsed since the first day of supplement, whichever is less.

- 1915 An employee, other than a probationary employee, shall be entitled to utilize up to five (5) days income protection credits before they are earned. The Employer will recover from a terminating employee all paid sick leave granted but not earned.

two (2) weeks notice for each year of employment (seniority) of up to a maximum of three (3) months notice.

b) A lay-off shall be any reduction in the work force or any permanent reduction of an employee's normal hours of work due to lack of work.

3102 When a layoff becomes necessary, employees will be laid off in reverse order of seniority within their occupational classification, subject only to more senior employees being qualified, competent and willing to perform the required work.

3103 In the event of the deletion of an occupied position, as much notice as possible shall be given to the incumbent.

3104 An employee whose position is being deleted in accordance with Article 3103, or who is being laid off in accordance with Article 3102 will be entitled to exercise seniority rights, subject to her being qualified, competent and willing to perform the required work, to displace a less senior employee in an equal or lower occupational classification. Any employee thus displaced shall be entitled to a like exercise of seniority

rights, with the employee or employees who are finally displaced by the exercise of this subsection being considered laid off, and subject to recall as outlined below.

- 3105 An employee who is demoted due to a reason other than unsatisfactory performance shall continue to be paid her current basic salary until the rate for the classification to which she was demoted exceeds her current rate. The application of this provision as it relates to the layoff/recall procedure shall be limited to a three (3) year period from the date the employee assumes a position in a lower paid classification or until the salary scale of the lower position reaches her level of salary, whichever occurs first.
- 3106 An employee who exercises her seniority rights shall be entitled to a six (6) week or two hundred and forty (240) hours (whichever is greater) familiarization period. In the event that the employee cannot function effectively in the position at the conclusion of the familiarization period, she shall be placed directly onto layoff status and the person originally displaced from the position shall, if not yet recalled, be returned to the position.
- 3107 To qualify for recall, it shall be the responsibility of the employee to keep the Employer informed in writing of her current address and phone number.
- 3108 Employees on layoff are to be recalled in order of seniority to available positions in equal or lower paid occupational classifications, subject to their being qualified and competent to perform the required work. Such right to recall shall be exercised before a new employee is hired or any other less senior employee is hired into such position.

- 3109 Such recall shall be made by registered mail, and shall provide for two (2) weeks notice to report back to work. The employee is required to contact the Employer within one (1) week of such notice, confirming her intention to return to work as scheduled. An employee who declines to return to a position comparable to that held prior to layoff, without reasonable cause, shall be considered terminated.
- 3110 An employee recalled to work in a different department, or different classification from which she was laid off shall have the right to return to the position she held prior to the layoff should it become vacant within one year of being called back and such vacancy shall not be subject to the job posting procedure.

- c) If the Association and the Employer fail to agree upon measures to protect the employees from any adverse effects, the matter may be referred by either party to arbitration as provided for under the terms of this Agreement.

3112 An employee who is displaced from her job as a result of technological change shall be given an opportunity to fill any vacancy for which she has seniority and for which she has competency and the qualifications to perform. If there is no vacancy, she shall have the right to displace employees with less seniority, in accordance with the layoff procedures specified in this Agreement.

3113 Where new or greater skills are required than are already possessed by affected employees under the present methods of operations, such employees shall, at the expense of the Employer, be given a training period during which they may acquire the skills necessitated by the new method of operation. There shall be no reduction in wage or salary rates during the training period of any such employee.

3114 a) If the Employer sub-contracts work or introduces technological change which results in the displacement of a number of employees, the Employer shall guarantee alternate employment to all employees with three (3) or more years of continuous service with the Employer. Where the alternative employment is of a lower paying classification, the employee shall continue to

receive the salary of the higher paid classification until the salary of the lower paid classification passes that of the higher classification. The parties agree that past practice, effective June 23, 2000 shall be deemed to have received mutual agreement in this regard. The parties further agree that the provisions of this Article shall in no way supercede the provisions of the Memorandum of Understanding RE: Transfer of Service/Mergers/Amalgamation/Consolidation.

3116 Notwithstanding Article 604, employees laid off, or who have had their work reduced in accordance with Article 3101, and who have made their availability for additional available shifts known to the Employer in writing, shall be given preference for such shifts, over part-time and casual employees, up to their EFT prior

to layoff or reduction of hours, provided they are qualified, competent and willing to perform the required work.

The employee shall be given such preference for available shifts until a position becomes available that is an equal or greater EFT than their last previous position, or for the duration of 6.03 (d), whichever occurs first.

Should the employee not work the entire shift for any reason, the employee will be paid for the hours actually worked.

In the event that the employee accepts available shifts in accordance with the above, the provisions of the Collective Agreement shall be applicable except as modified hereinafter:

a) Vacation pay shall be calculated in accordance with Article 1804, and shall be paid at the prevailing rate for the classification, at the employee's step on scale prior to layoff, on each pay cheque, and shall be prorated on the basis of hours paid at regular rate of pay;

- e) Participation in benefit plans is subject to the provisions of each plan;
- f) Any period of time during a layoff when the employee works additional available shifts or works in a term position shall not extend the five (5) year period referenced in Article 10. However, an employee on layoff who is recalled into a term position shall retain her right to be recalled into a permanent position while working in the term position.

work together in recognizing and dealing with such problems should they arise. Situations involving sexual harassment shall be treated in strict confidence by both the Employer and the Association.

a) Both employees shall be granted part-time employment status, and shall earn benefits as provided for in the Collective Agreement.

b) In the event that one (1) of the employees sharing the position is absent, e.g. sick leave, vacation, leave of absence, etc. the other employee sharing the position may be required to assume those shifts.

RE: GRIEVANCE INVESTIGATION PROCESS

The process is intended to create a harmonious relationship in order to promptly resolve grievances in an economical fashion.

On this basis, the parties are committed to the utilization of the following process where it is mutually agreed to be appropriate.

In the event that either party states that it is inappropriate to utilize the process and prior to a failure to utilize the process, the Executive Director of the MAHCP and the Director of the PHLRS shall review the matter and exchange the positions of the parties.

The parties hereto agree that the following conditions shall apply to the implementation and operation of the Grievance Investigation Process:

Part 1 GENERAL

1. It is understood that this process and the appointment of the Grievance Investigator is to continue concurrent with the Collective Agreement. The Collective Agreement is for the period April 1, 2014 to the date of ratification of a new collective agreement, and subject to the Term of the Agreement.

2. The Grievance Investigator shall be an individual jointly approved by the MAHCP and representatives of the employer (Provincial Health Labour Relations Services). The terms of appointment of the Grievance Investigator shall be set out in a separate document between the MAHCP, the PHLRS and the Grievance Investigator.
3. It is recognized that Grievance Investigation is a mandatory process and either party may submit grievance to Grievance Investigation.

In the normal course of events, the grievance will be submitted to the Grievance Investigator when the parties are unable to reach a resolve through the grievance process itself.

If however, where the timelines within the grievance procedure have not been mutually extended, and a grievance meeting does not occur as scheduled due to a cancellation or request to reschedule by either the Association or the Employer, the Executive Director of MAHCP and the Director of the PHLRS shall be notified of the cancelled meeting.

The Executive Director and Director will review the matter and will jointly determine if another attempt to schedule a grievance meeting will occur, or if it is reasonable to assume that the grievance is denied and the remainder of the grievance procedure will be circumvented and the grievance matter will be submitted directly to GIP.

4. The Grievance Investigator shall conduct an investigation into each grievance jointly submitted to him. It is expected that a hearing will be required in the normal course of the investigation. Within seven (7) days of a grievance being submitted to him, the Grievance Investigator shall schedule a hearing to be held within the thirty (30) day period following submission to him. The Grievance Investigator is empowered to fulfil his role in any manner deemed by him to be most effective given the individual circumstances of each case. The Grievance Investigator's general role is to:
 - a) Investigate each grievance jointly submitted
 - b) define the issue(s) in dispute
 - c) provide an opinion as to an appropriate resolution of the dispute.

Where the Grievance Investigation meeting does not occur as scheduled due to a cancellation or request to reschedule by either the Association or the Employer, the Executive Director of MAHCP and the Director of the PHLRS shall be notified by the Grievance Investigator of the cancelled meeting.

The Executive Director and Director will review the matter and will jointly determine if another attempt to schedule a Grievance Investigation meeting will occur, or if the matter will simply be referred to arbitration.

5. The Grievance Investigator is expected to give a verbal opinion at the conclusion of a hearing, and to submit a brief written opinion to each of the parties within seven calendar days following a hearing. Where no hearing is held, it is expected that the Grievance Investigator will provide his written opinion within seven (7) calendar days following completion of his investigation.

6. It is understood that the opinion of the Grievance Investigator is advisory in nature and is non-binding on either party.

It is understood that where the parties agree to abide by the opinion of the Investigator, it is done so on a without precedent or prejudice basis.

Where either or both parties choose not to accept the opinion of the Grievance Investigator, they shall, within seven calendar days following receipt of the Investigator's written opinion, submit it in writing to both the Investigator and the other party, their reasons for non acceptance. Such reasons shall not be admissible at any future arbitration hearing or Grievance Investigation proceeding. Where one or both of the parties does not accept the opinion of the Investigator then the option shall remain to utilize the Arbitration procedure contained in the Collective Agreement.

7. The parties shall jointly prepare guidelines to assist the Grievance Investigator in meeting the expectations of the parties. These guidelines may be amended from time to time during the collective agreement as circumstances warrant and as mutually agreed. The parties shall meet on a province wide basis through staff representatives of the MAHCP and the PHLRS at the request of either of these two bodies, but not less frequently than every six months to review the operation and utilization of the Grievance Investigation Process.
8. Nothing shall preclude the parties from resolving any grievance in any mutually agreed manner either before, during or after its referral to the Grievance Investigation Process.

9. It is expressly understood that the Grievance Investigation Process is intended to provide a cost-effective, informal, and timely alternative to conventional arbitration.

Part 2 SUBMISSION OF GRIEVANCE

1. In all cases the grievance procedure contained in the Collective Agreement will continue to apply, however, where the grievance procedure has been exhausted and a party has certain time limits to refer the matter to arbitration, that party might instead within this time limit, advise the other party in writing of its desire to refer the matter to the Grievance Investigation Process. Where such a request is made, the time limits referenced in the grievance procedure shall be temporarily suspended until:
 - a) the other party advises the party who has made such a request that it does not agree to refer the matter to the Grievance Investigation Process, or
 - b) fourteen (14) calendar days have elapsed from the date the request was made and the other party has failed to respond, or
 - c) fourteen (14) calendar days have elapsed from the date upon which the Grievance Investigator issued his written opinion.

When any one of the events referred to in a), b) or c) above occur the time limits for referring the matter to arbitration shall commence as if the grievance procedure had been exhausted on that date.

Part 3 HEARINGS

1. Hearings will normally be held on the premises of the facility where the grievance originated from, however, the Investigator may, with the consent of both parties, choose a more appropriate location in such instances as

where several grievances originating from different locations can be heard at the same hearing.

2. The parties agree not to be represented at any Grievance Investigation hearing by legal counsel. Attendance at hearings shall be limited to a maximum of four (4) employees from the bargaining unit and/or the Association, and four (4) Employer and/or PHLRS representatives. This stipulation shall not prevent the Grievance Investigator from requesting the attendance of any other person who can assist in clarifying the issue in dispute.
3. The parties agree to provide the Investigator with a jointly prepared statement of facts in an effort to narrow the scope of any dispute and to minimize the need to present evidence through witnesses. The Grievance Investigator may through the course of his investigation determine additional facts relevant to the resolution of the matter and shall advise the parties accordingly.
4. Hearings shall be held in an informal manner, however, the Investigator shall conduct any hearing in a manner deemed by him to be effective. Witnesses will not give evidence under oath but the Investigator may act as a participant in attempting to resolve areas of conflicting evidence.

Part 4 GUIDELINES FOR GRIEVANCE INVESTIGATOR

1. The Grievance Investigator shall be expected to accept the role for the life of the collective agreement.
2. While appointed the Grievance Investigator may not act on behalf of one of the parties either as counsel or nominee at conventional arbitration. He may serve as

sole arbitrator or chairman of an arbitration board hearing a dispute involving one or both of the parties except in the case of a dispute which has previously been referred to him in his capacity as Grievance Investigator.

3. While it is not expected to be as detailed as an arbitrator's award, the parties do expect the written opinion to be a concise statement of the reasoning followed in reaching his conclusions. A detailed review of the positions of the parties or arbitral jurisprudence is not expected nor is any recounting of non germane fact or argument. The opinion should contain sufficient information to assist the parties in preventing similar future disputes.
4. The parties shall each pay for their own costs associated with referring and processing a grievance through the Grievance Investigation Process except that the parties shall jointly and equally share the fees and expenses of the Grievance Investigator.
5. The Grievance Investigator is empowered to consider any grievable matter put to him by the parties including a question of whether or not an issue is grievable.
6. The opinion of the Grievance Investigator is expected to be an informed estimate of the likelihood of the grievance being sustained or denied in the event of its being referred to arbitration.
7. The Grievance Investigator will be provided with any documentation which might provide assistance to him carrying out his role.

2. That the EDSLP shall be self-sustaining and the Employer shall not incur any costs whatsoever as a result of participating in the Plan.
3. That the EDSLP must comply in all respects with all Revenue Canada guidelines.
4. That the Association shall save the Employer harmless from any claims whatsoever from any participants enrolled in the EDSLP which might result from the non-remittance of monies collected in accordance with the Plan nor from any shortfall in the funds from time to time required to be paid to any of the participants in the Plan. It is agreed that remittance of all monies to the Plan, in Trust, is to be forwarded immediately following each payday to the carrier of the Plan in Trust.

Terms of Reference of the EDSLP

Eligibility: Any employee, excluding casual employees, covered by the Collective Agreement between the Employer and the Association may apply for participation in the EDSLP following completion of the employee's probationary period as outlined in the Collective Agreement. It is expressly understood that participation in the EDSLP does not constitute a commitment being made by the Employer regarding future approval of a leave of absence.

The Plan:

The EDSLP is implemented for the sole purpose of providing a method of remuneration to Plan participants during formal educational leaves of absence (LOAs) for periods in excess of six (6) months.

Contribution/Enrolment Form:

- a) On filling out the enrolment form for membership, the participant shall indicate the amount of the participant's earnings which is to be deferred and remitted by the Employer to the Plan, in Trust. The amount shall not be less than five (5) percent and not more than thirty (30) percent of gross regular earnings as at the time of application. The biweekly amount shall be rounded to the next higher dollar.
- b) The amount to be deferred in Trust may be changed once annually (date to be determined by the Employer).
- c) The participant shall indicate on the enrolment form the date when it is anticipated that the participant will be requesting a leave of absence in accordance with the terms of reference of the Plan.

- d) The participant shall keep the Employer informed on an ongoing basis as to his/her plans in regard to the educational program in order to assist the Employer in attempting to make arrangements for his/her potential absence.

Leave of Absence

- a) It is agreed between the Employer and the Association that, for the purpose of the EDSLIP, the provisions of the Collective Agreement regarding application for leaves of absence shall make application for the LOA at least two (2) months prior to the first day of the participant's requested LOA.
- b) Requests for LOA under the EDSLIP shall include a description of the course of studies to be pursued, the duration of the program, and the name of the institution offering the program.
- c) Each request for a LOA under the EDSLIP will be reviewed on an individual basis and shall not be unreasonably denied.
- d) In the event that more than one participant applies for a LOA under the EDSLIP for part of or all of the same period of time and where only one participant's requested leave can be granted, seniority as defined in the Collective Agreement shall be the governing factor in determining which participant's LOA shall be granted.
- e) A participant having received approval for a LOA and who voluntarily transfers or is promoted to another position, may have the leave honoured depending on the operational requirements of the new work area.

- f) In the event that the participant's educational leave results in his/her being qualified to work in another classification covered by the Collective Agreement, it is understood that the participant will be placed in such classification only after being the successful applicant for a posted vacant position within that classification.

RE: OVERPAYMENTS

The Employer may not make deductions from wages unless authorized by statute, by Court Order, by Arbitration Award, by this Agreement, by the Association or to correct an overpayment error made in good faith. Where an error has been made in good faith, the Employer shall be entitled to recover any overpayment made, for a period of time that does not extend further back than twelve (12) months from date of discovery, provided:

An under deduction shall not be deemed an overpayment.

Failure to do so may negate the availability of these benefits to the employee or may result in the employee having to provide evidence of proof of insurability to the benefit provider.
